Wednesday 18<sup>th</sup> May  
10:30 (Tunis time – GMT+1, UTC+1)

*To Carthage then I came*

*T. S. Eliot, The waste land*

*Evolution by curvature of networks in the plane - The state of the art*

I will present the state of the art of the analysis of the motion by curvature of networks of curves in the plane, discussing what is known and the open problems about existence, uniqueness, singularity formation and asymptotic behavior of the flow.
